Dear Pastor and Praying Friends,

Greetings, in the name of our Lord and Saviour Jesus Christ. Grace be unto you, and peace, from God our Father, and the Lord Jesus Christ.

First, I want to thank you for your support and especially your prayers, before and during my trip to Cape Coast, Ghana. I want to assure you, that the Lord has done wonderful and amazing things in my life through this experience that you have had a part in. God has used you to help supply the needs for His work, at exactly the right time. There are no words that can express my thankfulness for you.

It was a privilege to have been invited by Pastor Simpson of the Bible Believers Independent Baptist Church and to have had the opportunity to minister to the people of Cape Coast, Ghana.

Pastor Simpson hosted the "Word of Truth Bible Conference", which was held each evening from 7:00pm until 9:30pm in a local regional hospital parking lot. The parking lot was not only adjacent to the hospital, but also in the midst of a host of villages and other housing developments. The conference started on the evening of March 3rd and continued each evening until March 12th. I had the joy of preaching each night opposite Pastor Simpson, as well as three other men of the church.

In addition to the Bible conference, Pastor Simpson allowed me to preach the Sunday morning church service, which was also a true blessing. We also had the opportunity to preach in the chapel services of two local schools. (After one of those chapel services, two young ladies spoke with two of the national workers in reference to some questions that they had about salvation.) As a result, they came to the Bible conference that night and subsequently trusted Jesus Christ as their personal Saviour. In addition to these two girls, there were eight others who also trusted in the Lord Jesus Christ for their salvation during the conference. There were also many of the church members who made spiritual decisions over the course of the conference. Praise the Lord!

I also had the opportunity on several occasions to accompany Pastor Simpson on visitation to some special families that he has been ministering to. It was a blessing to see Christ's love so evidently expressed through the Simpson's to the people of Cape Coast.

Whether or not I was a blessing, encouragement or a help to Pastor Simpson, the church at Cape Coast or the people of Cape Coast, I do not know, however I can assure you that they were to me.

Mr. Richard Ciarrocca, director of Antioch New Testament Baptist Mission (*an in house ministry of the Maranatha Baptist Church*), has graciously invited me to share the details of this mission's trip with him in the forum of the "More About Missions" radio broadcast on WOEL 89.9-FM. These interviews will be aired on the Friday broadcasts at 6:30pm for at least the next 3 weeks (Starting on Friday April 2nd). If you are out of the WOEL radio listening area, you can tune in to WOEL on the internet at www.mbcmin.org by clicking on the WOEL logo.

Also, you can visit my website for other information, pictures, audio files, and updates. Simply click on the Ghana flag in the upper right hand corner.

Again, I thank you for your support, both in prayer as well as financially. Praise, glory and honor to our Lord and Saviour Jesus Christ, for he is ALWAYS good!

"Brethren, keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life. And of some have compassion, making a difference: And others save with fear, pulling them out of the fire; hating even the garment spotted by the flesh. "

In and Through Christ Jesus,
