Cutting Directions:

Cards are met to be the standard business card size of 3.5 inches by 2 inches.

1. If you first cut $\frac{3}{8}$ inch off of the left hand side
2. Turn Page and cut total size to 7 inches (3.5 per card)
3. At this point you will have a page that is 7 inches by 11 inches
4. Cut the 7 inches in half, which will give you two strips of 4 that are 3.5 inches wide
5. Cut these strips in 2 in segments
6. Now you have 8 What? Cards that you can hand out individually or with your favorite tract.

Return to step one and continue.

Reminder: Hand these out as well as any other witnessing tool in saturated in prayer!
